## 2024 Impact Report

# Executive Director's Letter

Dear Friends,

As the Executive Director of the Heating Energy Assistance Team, Inc. (H.E.A.T.), it is my honor to share with you the profound impact we have had this past year in supporting our neighbors in need across Georgia. Since our founding in 1983, our mission has been clear: to promote the health, comfort, and safety of Georgia communities through essential energy assistance.

Our partnerships are the cornerstone of our success. This vital work is only possible because of the unwavering support from corporations, organizations, government agencies, and generous individuals, like you. Together, we form a powerful network that provides hope, warmth, and stability to those who need it most. Your contributions help us expand our reach while providing direct assistance to vulnerable Georgians struggling to meet their heating needs.

As we look to the future, we are committed to strengthening these relationships and building new ones. Together, we can continue to make a difference.

Thank you again for your continued partnership and support. We look forward to continuing to work with you in the years to come as we collectively realize our vision in ensuring "all Georgians have a warm and safe place to call home."

With gratitude,

*Nichelle A. Mitchem*
